**Greenwood Wildlife Rehabilitation Center** is a non-profit organization that is devoted to the rehabilitation and release of orphaned and injured wildlife. Greenwood is the largest center of this kind in Colorado, each year treating approximately 3,000 animals representing over 135 different wildlife species.

Greenwood also provides outreach programs for audiences of all ages regarding rehabilitation, humane solutions to human-wildlife conflicts and how you can help Colorado's wildlife.

**Flatirons Pilates** is your NEW eco-friendly pilates, yoga, gyrokinetics and dance studio conveniently located in Lafayette, CO. Flatirons Pilates is owned by Desiree Marceau who is as passionate about wildlife as she is about the environment! Desiree worked as a volunteer at the Raptor Center in St. Paul, MN and has on many occasions stopped to help injured wildlife. Several of these rescued animals have made their way to Greenwood, most recently an injured squirrel who has since been fully rehabilitated and released back to the wild. It's this connection to Greenwood that inspired Desiree to host a fundraiser to benefit the wonderful work that Greenwood performs. Greenwood relies entirely on donations from businesses and people like you!

**Workout for Wildlife** will be held at Flatirons Pilates Aug. 17th-22<sup>nd</sup>, 1361 Forest Park Circle #105 Lafayette, CO 80026, 720-771-5882.
